INSTRUCTIONS

1. Weather conditions and temperatures shall be reported at least once every two hours by yard masters and other station agents on each dispatching district and shall be recorded on the dispatcher's record of movement of trains.
2. Each train dispatcher shall sign his name and record the time of going on and off duty in the space provided on the back of this form. Time of going off duty shall be shown at the usual and final time of each movement.
3. The number of Cars in each train shall be shown at first and other stations and at each change of train crew and locomotive.
4. Where a train passing reporting stations shall be recorded, where trains stop at reporting stations, both arrival and departing time shall be recorded.
