INSTRUCTIONS

1. Weather conditions and temperatures should be reported at least once in six hours by and recorded for at least one station in each division. Stations to be selected by the dispatcher and reported to him by telegraph operators.
2. Each train dispatcher shall sign his name and record the time of going on and off duty in the space provided.
3. The A. M. or P. M. at the case may be, shall be shown at the initial and final time of each movement.
4. Time of arrival and departure of cars in each train shall be shown at least at one station and at each other station as the carrier may determine.
5. Time of trains passing reporting stations shall be recorded; where trains stop at reporting stations, both arriving and departing time shall be recorded.
