Note est MP 237 pole 29 detection - MP Adv Contact - City Powers 09-

INSTRUCTIONS

1. Weather conditions and temperature shall be reported at least once in six hours by and recorded for at least one station on each train order station and shall be recorded for each other station as report stations are called.
2. Each train dispatcher shall sign his name and record the time of going on and off duty in the space provided.
3. Train Nos. 1 and 2 will be recorded in the space allotted at the extreme left and right hand ends of each movement.
4. The number of cars on each train shall be shown at all report stations and at each other station as the center may dispatch.
5. Time of train passing reporting stations shall be recorded, where trains stop at reporting stations, both arriving and departing time shall be recorded
