

3 GOOD REASONS

for routing your traffic
via **ST. J. & L.C.**

1. You get the personal service that only a small railroad can offer. Strategically located off-line offices in Waterville, Me., and Chicago plus our on-line office at St. Johnsbury, Vt., help us do an efficient job of tracing and expediting your shipments.

2. You can rely on dependably-scheduled service from origin to destination when you use the St.J.&L.C. We watch your shipments carefully at all check points along your route!

3. Our route comprises the shortest DIFFERENTIAL mileage from Portland, Maine to Chicago. It avoids congested terminal districts such as Montreal and Detroit.
