WESTERN MARYLAND RAILWAY

Transportation Department.

FAST FREIGHT TRAINS AND CONNECTIONS EFFECTIVE APRIL 1, 1968

List of Symbol Freight Trains
With Consolidated Schedules
of Connecting Lines.

"DAILY PASSING REPORTS" are furnished to our SALES OFFICES. These passing reports make it possible to furnish patrons prompt information covering location of cars on the Western Maryland Railway and delivery of cars to connections.

The Schedules herein are not guaranteed but indicate service established to and from specific points mentioned. Shipments to and from other points in the East, West and South are accorded same service to and from gateways or junction points named. Time shown is Eastern Standard unless otherwise noted.
