# Symbol Train Schedules

Effective April 25, 1926

## GENERAL INSTRUCTIONS

The trains specified herein must be run as set forth, both as to time, nature of work and connections. The identity of these trains must, at all times, be preserved. It is the particular duty of Division Officials to see that the specified connections are made.

No permanent change may be made in these schedules, consists or connections except by the authority of the Asst. General Superintendent.

These schedules are for the information and guidance of Employees only and do not constitute a guarantee that the schedules or connections will be made.

(Signed)—F. N. REYNOLDS,

Asst. General Superintendent.

Approved: **PHILIP T. WHITE,**  
General Superintendent.
