WHOLE TRAINS go aboard Pere Marquette's great steel steamers that cross Lake Michigan between Ludington, Michigan, and Milwaukee, Manitowoc and Kewaunee, Wisconsin. Without breaking bulk, freight moves on a direct straight short route through Michigan and right over the lake between the East and the Northwest. This means hours saved in running time and escape from congested areas. It means "on-time" deliveries and satisfied customers for you!

DOOR-TO-DOOR SERVICE

NO shipping headaches when you tell Pere Marquette to get on the job! The many advantages of "pick-up and delivery" for less carload merchandise freight are yours to command. Pere Marquette operates a complete line of through merchandise cars to and from its connections to accelerate prompt handling of your L.C.L. freight.

Just OVERNIGHT! Between Chicago, Grand Rapids, and Detroit. See page 1.

THE largest and most powerful carferry ever designed for operation on the Great Lakes is to be added to the Pere Marquette fleet in Lake Michigan service. Construction of the new boat, now under way, is another step forward in our constant endeavor to provide shippers and travelers with even more satisfactory schedules and service for movement of freight and passenger traffic between Ludington, Michigan, and Milwaukee, Manitowoc and Kewaunee, Wisconsin.
