

PENN CENTRAL TRANSPORTATION COMPANY

THROUGH FREIGHT SCHEDULES

During the period April 30th through October 29th, scheduled times at points in the State of MICHIGAN and provinces of ONTARIO and QUEBEC will be one hour earlier than the times shown herein.

ISSUED BY
**ASSISTANT VICE PRESIDENT
TRANSPORTATION
PHILADELPHIA, PA.**

**Latest Supplement
Issued June 1, 1972**

This book contains schedules and instructions governing the consist, makeup and operation of through freight trains, also scheduled connection between freight trains. While these schedules do not constitute a guarantee of service, it is essential that traffic be moved as prescribed.

When fluctuations in daily volumes indicate the annulment of trains prescribed, or the operation of extra sections, such arrangements will be worked out in advance with the Freight Train Operation Office in Philadelphia.

Supplements, revisions or corrections to this book will be issued periodically and must be inserted promptly upon receipt. No other changes in the schedules, consists or makeup of through freight trains shall be made except by direction or authorization of the Assistant Vice President Transportation.
