

FEC COMMITMENT TO OUR CUSTOMERS

Our Commitment

Florida East Coast Railway is committed to providing transportation services beneficial to our customers. We strive to exceed our customers' expectations so you can be even more competitive in your respective industry. Helping to get your products to market quickly and cost effectively, is very important to us.

We have made a commitment to our customers that we will be the carrier that provides the most reliable service in the Southeast. We thrive on serving the most demanding customers by running scheduled trains on time, and delivering your products damage free.

We stand by this commitment today and are working harder than ever to set even higher standards. Our employees know their future depends on your success and that is why we will continue to provide the unique portfolio of services you need.

Thank you for your trust. We value the business relationship we have developed with your company, and look forward to mutually beneficial growth and success in the days ahead.
