CARSCOPE

to work for you

Coded reports representing your carload shipments are in this central file. CARSCOPE keeps tab on any carload shipment you want to know about.

through

CARSCOPE

you can **ORDER SPECIAL
TYPE CARS**, and **TRACE**,
EXPEDITE, **DIVERT**, or
RECONSIGN any carload
freight shipment on the
MILWAUKEE ROAD

CARSCOPE is the Milwaukee Road's newest improvement to serve you and other shippers better, and to make your daily volume easier to handle.

CARSCOPE is an ingenious *system*—employing electronic machines and highly skilled people—designed to speed up the 5 vital functions of ordering special type cars, tracing, expediting, diverting or reconsigning your carload shipments.

CARSCOPE can locate any individual carload freight shipment for you (among all the 50,000 rolling daily, and at any hour of the day or night).

CARSCOPE centers the attention of a staff of specialists on any problem concerning the orderly movement of your shipments. You can request, and receive, emergency help in serving your own customers. You are aided by *experienced* personnel, who have the kind of first-hand, practical knowledge your problem deserves—they know railroading first!

In Chicago **CARSCOPE** can be reached by phoning **Central 6-7600**. The **Car Tracing Table** at **CARSCOPE** may be reached **directly** by phoning **Financial 6-8115**. In all other cities **CARSCOPE** can be reached through your
