CIRCULAR NO. 805

SPECIALLY ASSIGNED READING COMPANY AND FOREIGN CARS.

TO:

Trainmasters, Assistant Trainmasters,
General Yardmasters, Yardmasters and Freight Agents:

Attached are lists of individual Reading Company and foreign cars, separated by type of car, and in numerical order, as well as by railroad.

Each section has a code to indicate assignment, and symbol; there is also a summary showing the total number of system cars and foreign cars presently in service for each assignment. Each car number listed has a symbol, so that you can readily determine where it should be forwarded in event such car locates empty at your location.

It is felt that this circular will greatly assist all of our yard and agency forces to forward empty equipment to the proper point with respect to where such cars are assigned. This circular will supersede all previous circulars which covered individual car assignments, as it reflects the assignment of cars as of December 14, 1962.

It is proposed to supplement sections of this circular from time to time as changes in car assignments are made; therefore, you should arrange to keep the attached sections together and intact, locating same in a convenient and easily accessible place in your office, so that personnel on duty can readily refer to same to secure information on individual cars quickly. It must be understood, however, that the individual assignments can be changed without notice, and that the Car Distributor's instructions will supersede.

It is also very important that each of you make a check and follow very carefully, so that in the event either System or foreign cars are assigned for loading on our line and are not reflected in this circular, that the undersigned be notified immediately, so that record can be corrected, and proper per diem reclaims can be made in the case of foreign cars.

A. V. MILLER,
Supt. Transportation.
