Existing agreement between D. & R. G. W. and C. & S. provides that all mines reached by either line in certain southern Colorado territory are to be considered joint for coal and coke traffic and though served by both lines. This joint mine agreement covers main line and branch territory between a point three miles west of Walsenburg, Colo., (including branch from Loma Junction, Colo., to Calumet No. 2, Colo.) on the north and Trinidad, Colo., on the south. Coal or coke traffic only handled by D. & R. G. W. south of Walsenburg, except all commodities interchanged with C. & W. at Jansen, Colo. No interchange with other carriers at Jansen. D. & R. G. W. station Trinidad, Colo., abandoned effective January 1, 1964. No traffic handled via D. & R. G. W. to or from Trinidad, and no traffic interchanged with other carriers at Trinidad.

INDUSTRIAL DEVELOPMENT

Complete information on industrial needs and opportunities in Colorado and Utah is available through the Rio Grande's Department of Industrial Development to any business or industry seeking new locations for manufacturing plants, branch offices, or distributing agencies.

Industrial districts, planned to meet requirements of modern plant rail-user industries, are located along lines of The Denver and Rio Grande Western Railroad as shown on maps, pages 121 to 126 of this publication, in or near the following cities:

Denver, Colorado

- North Washington Industrial District
- North Broadway Industrial District
- West 48th Avenue Freeway Industrial District
- Prospect Industrial District
- 15th - 19th Street Industrial District
- South Denver Industrial District
- Blakeland Industrial District

Colorado Springs, Colorado

- Pikes Peak Industrial Park

Pueblo, Colorado

- North Pueblo Industrial District

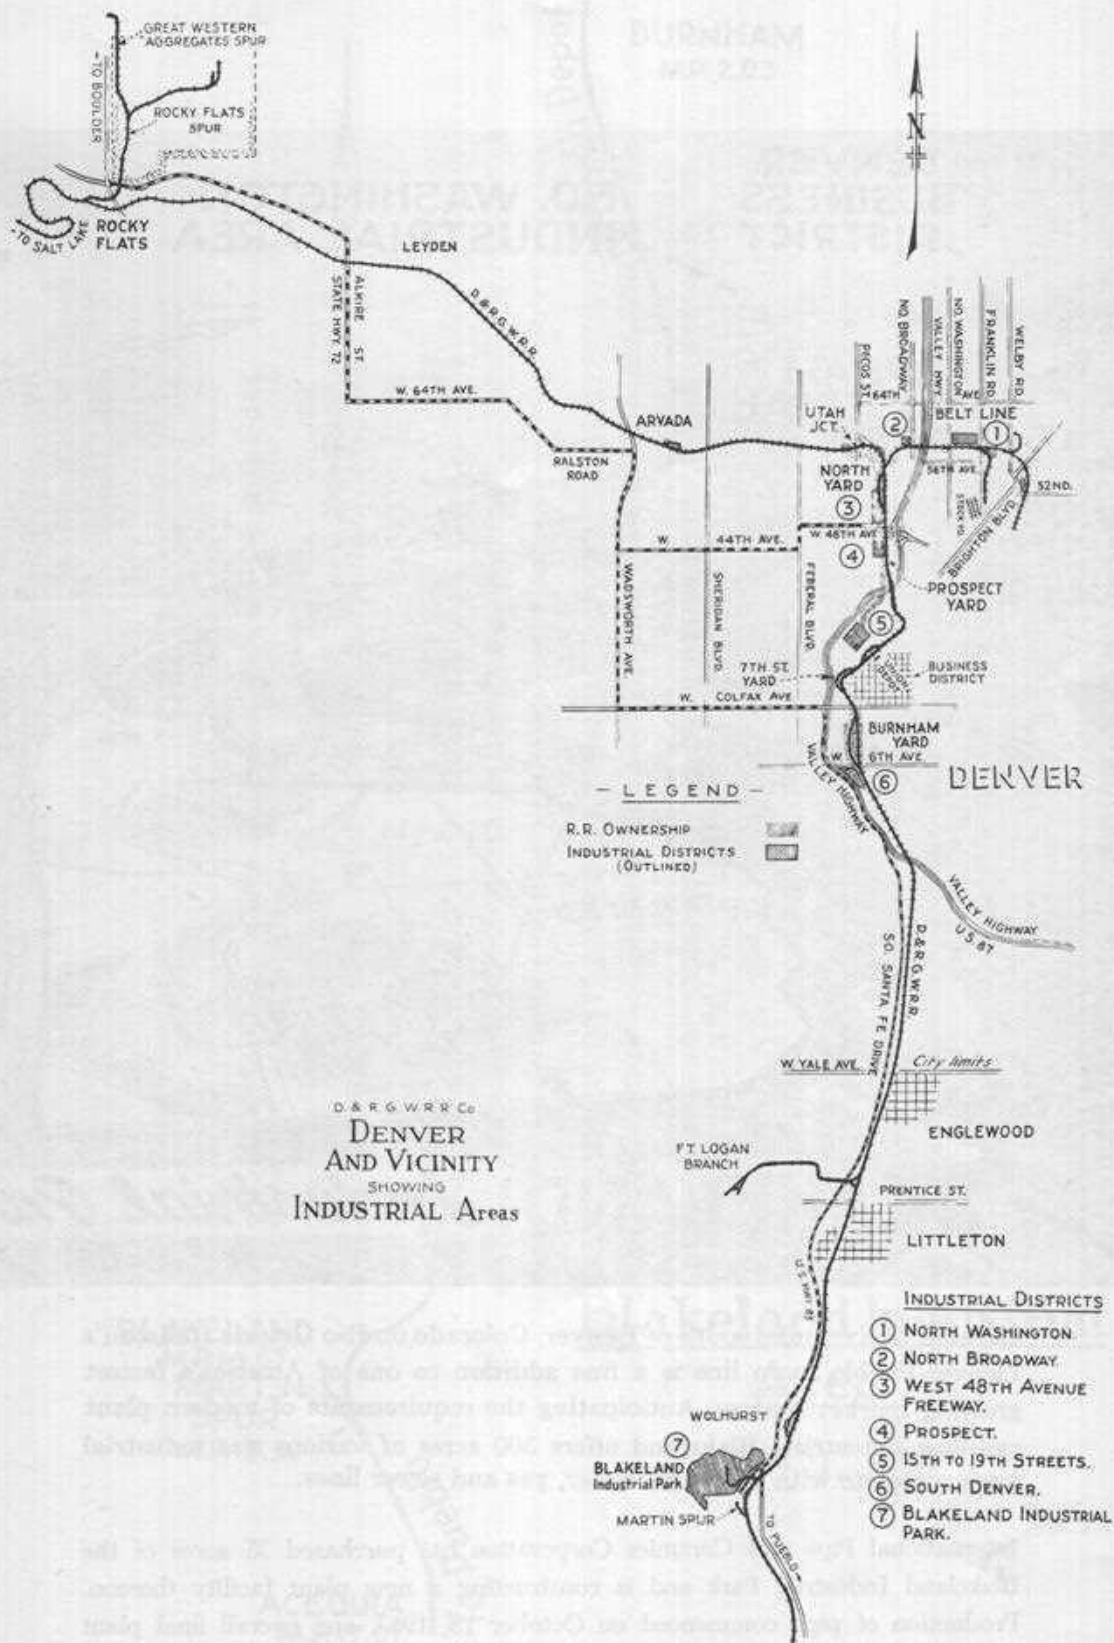

Salt Lake City, Utah

- North Salt Lake Industrial District
- Central Salt Lake Industrial District
- Walker Field Industrial District
- South Salt Lake Industrial District
- Roper Yard Industrial District
- Industrial Center

Other industrial sites, in addition to those located in the planned industrial districts listed above, also are available at various points along the Rio Grande. For information or site investigation studies of any of the Rio Grande's industrial districts in the Colorado-Utah business belt, contact

R. C. CAVNESS, Director of Industrial Development
The Denver and Rio Grande Western Railroad Company
P. O. Box 5482, Terminal Annex
Denver, Colorado 80217

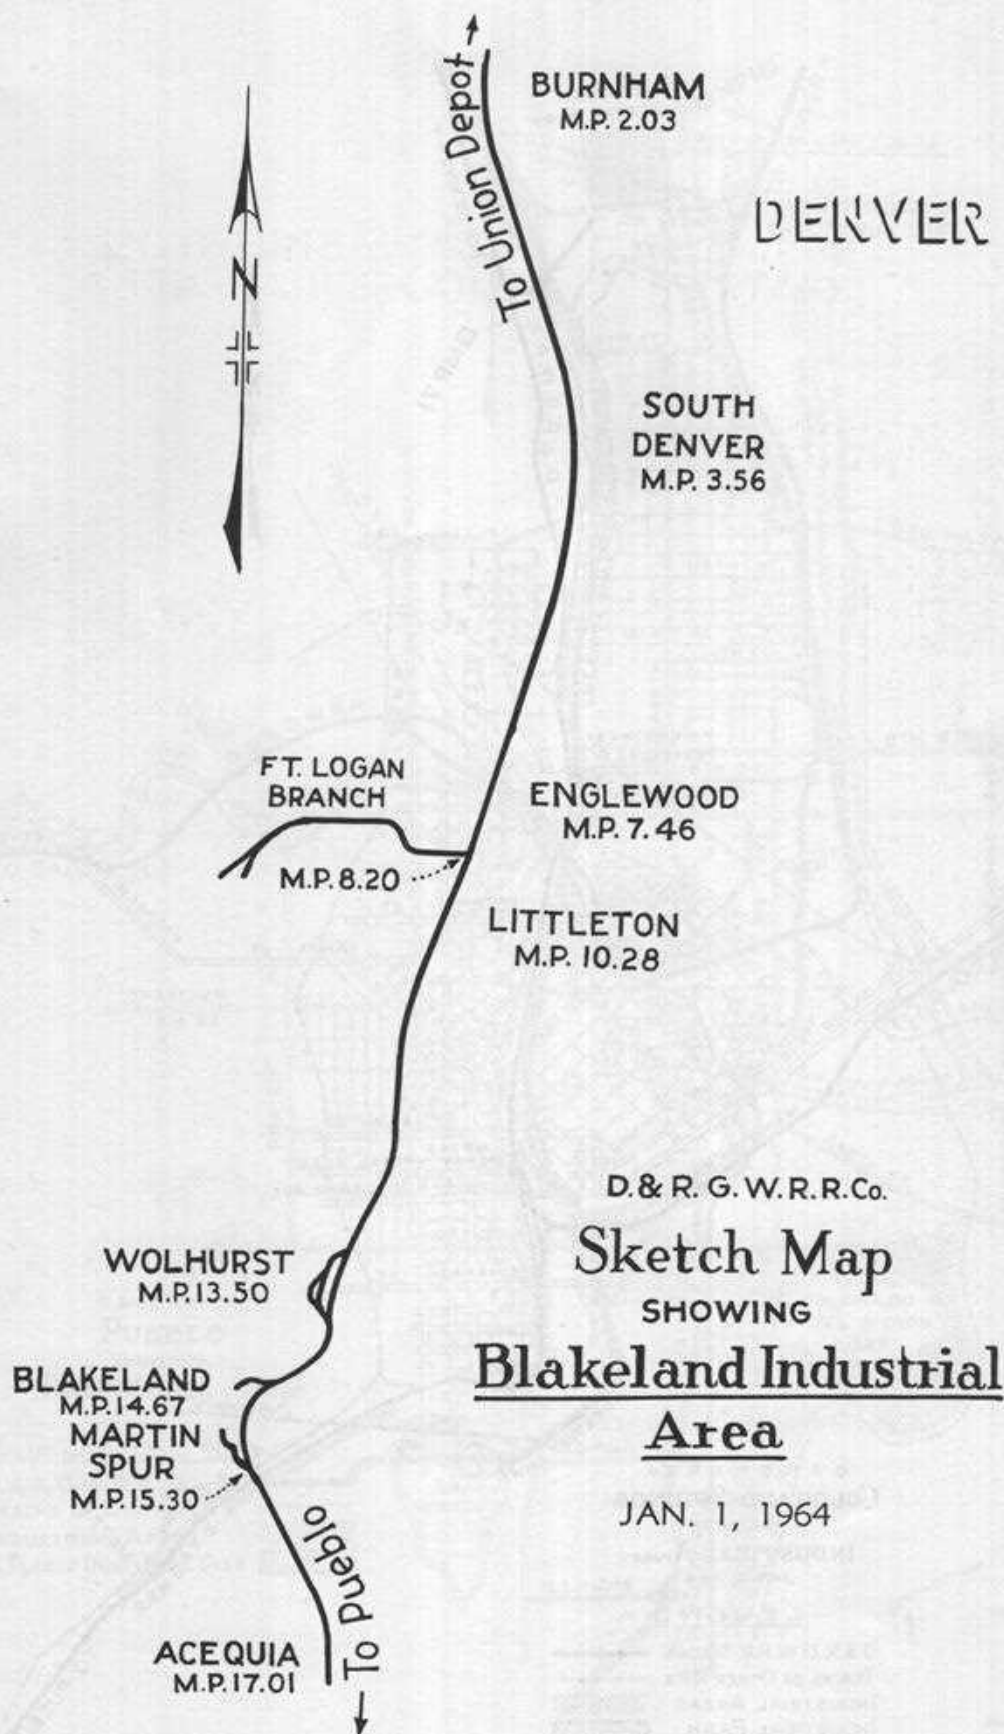

No obligation — all inquiries will be held in confidence.

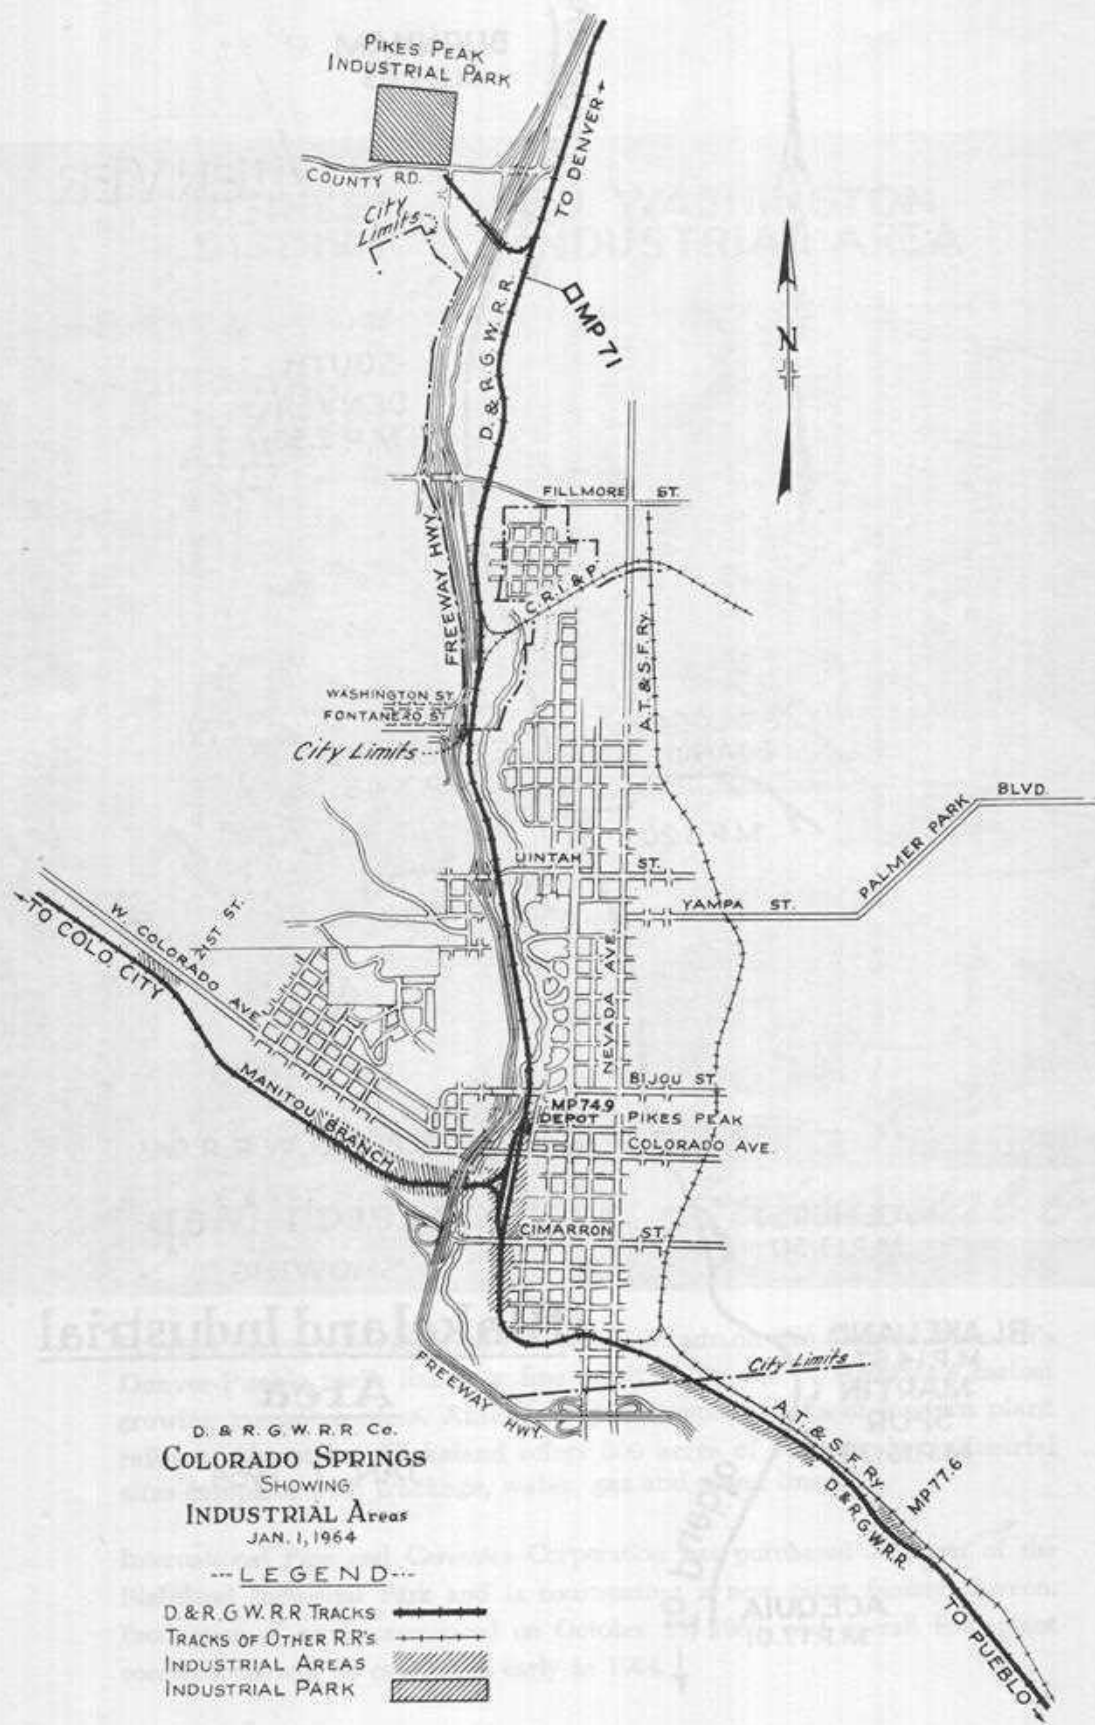

Located twelve miles south of Denver, Colorado, on Rio Grande Railroad's Denver-Pueblo main line is a fine addition to one of America's fastest growing market centers. Anticipating the requirements of modern plant rail-user industries, Blakeland offers 300 acres of various size industrial sites complete with trackage, water, gas and sewer lines.

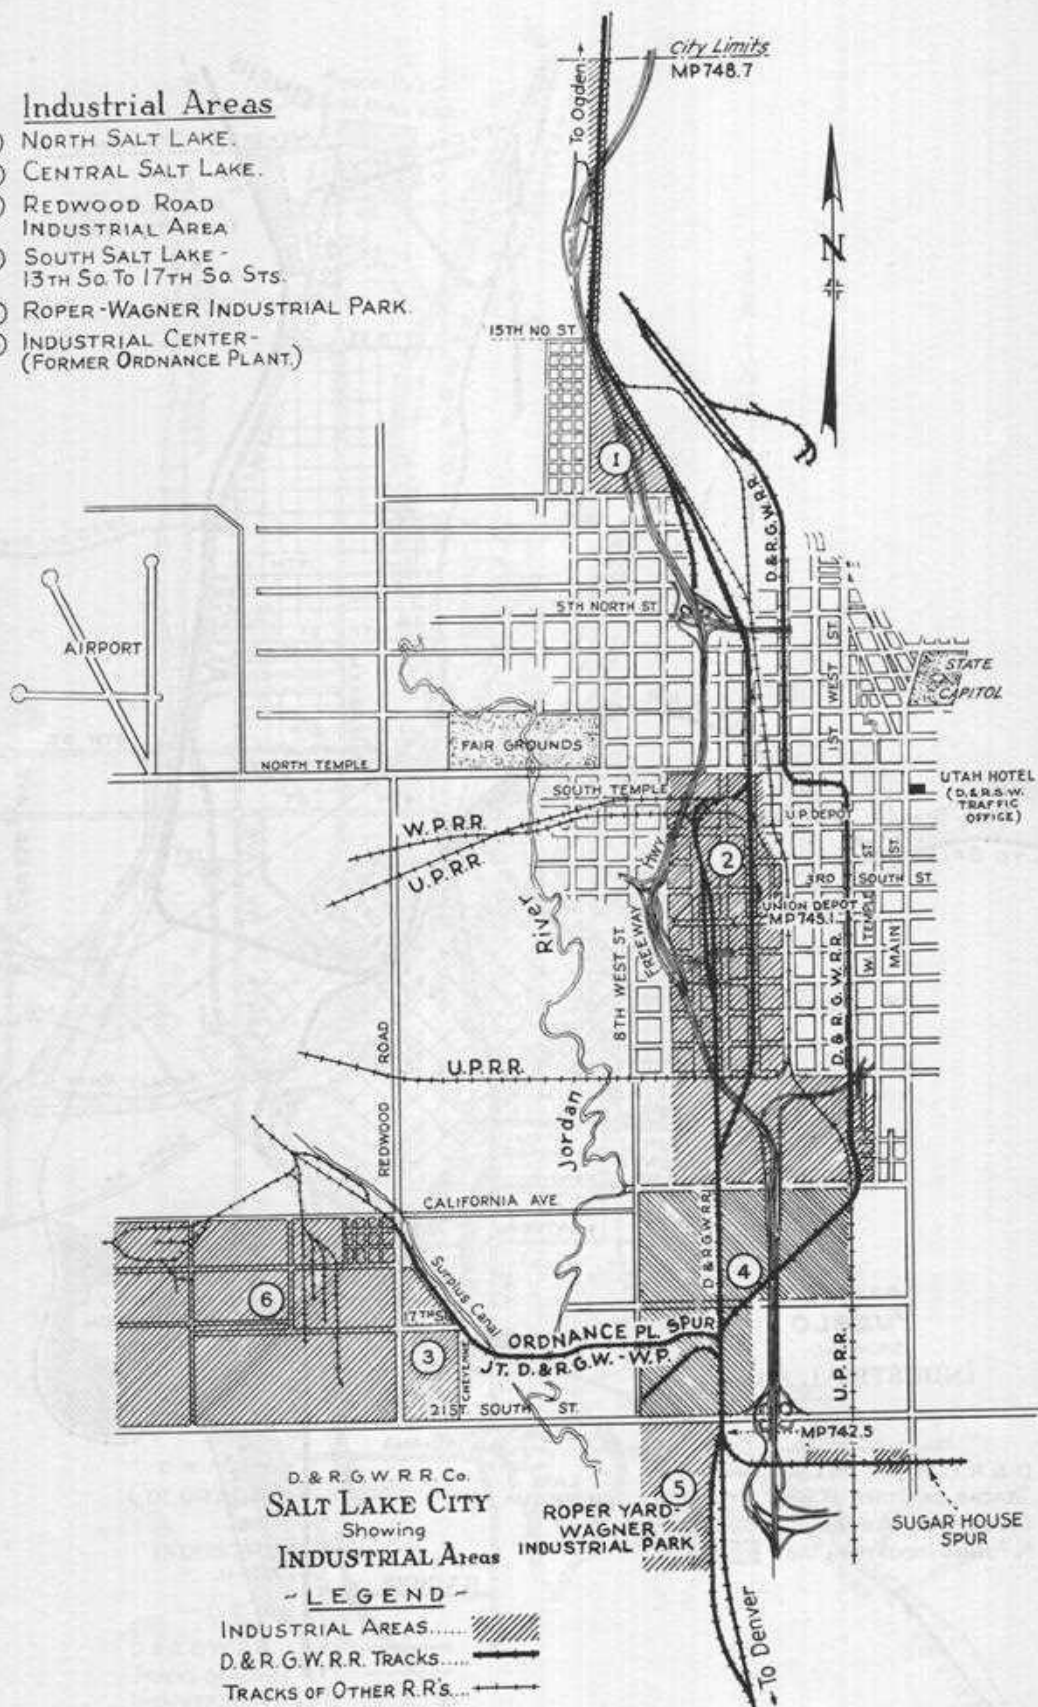

International Pipe and Ceramics Corporation has purchased 35 acres of the Blakeland Industrial Park and is constructing a new plant facility thereon. Production of pipe commenced on October 18, 1963, and overall final plant construction will be completed early in 1964.

Industrial Areas

- ① NORTH SALT LAKE.
- ② CENTRAL SALT LAKE.
- ③ REDWOOD ROAD INDUSTRIAL AREA
- ④ SOUTH SALT LAKE - 13TH SO. TO 17TH SO. STS.
- ⑤ ROPER-WAGNER INDUSTRIAL PARK.
- ⑥ INDUSTRIAL CENTER - (FORMER ORDNANCE PLANT.)
