Under the foregoing schedules for convenience in operation avoiding duplicate switching, cars may be placed at industries as early as 4:00 A.M. the delivery date.

It will be the duty of the California Terminal Lines to regulate deliveries in accordance with the foregoing, on the basis of the date shown on the waybill accompanying the car, whether it be weight and charges or regular revenue waybill. Delivery may be made on date of bill of lading as shown on waybill or on presentation of bill of lading to Agent if such date antedates date of waybill.

The foregoing minimum freight schedules shall apply to both regular and special train service.

Nothing in the foregoing will restrict the delivery of live stock, live poultry, dairy and packing house perishable products upon arrival.
