INSTRUCTIONS
1. Weather conditions and temperature shall be reported at least once in an hour by and recorded for at least one station on each dispatching district and shall be recorded for each other station as reported weather conditions.
2. Each train dispatcher shall sign his name and record the time of going on and off duty in the space provided.
3. The duty of P.M. at the close of each shift shall be shown as the actual time of each move.
4. The number of cars in each train shall be shown at least at one station and at each other station as the carrier may determine.
5. Time of train passing, arrival, and departure shall be recorded, when time is kept in reporting stations, both arriving and departing time shall be recorded.
