[illegible]

ther conditions and temperature reported at least once in six hours, recorded for at least one station or switching district, and shall be reported for such other stations as report conditions.

A train dispatcher shall sign his record the time of going on and in the space provided.

A. M. or P. M., as the case may be shown at the initial and final each movement.

Number of cars in each train shall be at least at one station and at other stations as the carrier may require.

Time of trains passing reporting stations shall be recorded; where trains stop at reporting stations, both arriving and departing time shall be recorded.
