**RULES GOVERNING TARIFF.
METHOD OF DENOTING REISSUED MATTER IN SUPPLEMENTS.**

Rule 1.—
Matter brought forward without change from one supplement to another will be designated as "Re-issued" by a reference mark in the form of a square enclosing a number (or letter, or number and letter in the case of intrastate supplements), the number (or letter, or number and letter) being that of the supplement in which the reissued matter first appeared in its currently effective form. To determine its original effective date consult the supplement in which the reissued matter first became effective.

EXCEPTIONS.

The stations and team tracks named below are reached by the Western Maryland Railway through trackage arrangements over the Pennsylvania Railroad and under the terms of the trackage contracts, traffic to or from Firms, Industries or General Delivery at these stations and team tracks cannot be handled when originating at, or destined to, points located ON, OR WHEN ROUTED VIA THE BALTIMORE AND OHIO RAILROAD. This prohibits the Western Maryland Railway from handling any traffic at these stations and team tracks when moving to, from or via The Baltimore and Ohio Railroad:
