CIRCULAR 2228.
Cancels Supplements 14, 18 and 25.
Supplements 7, 26 and 27 contain all changes.

WESTERN MARYLAND RAILWAY COMPANY

BALTIMORE, MD., APRIL 10, 1962.

LIST OF PRINCIPAL FIRMS AND INDUSTRIES LOCATED AT COMPETITIVE POINTS —ON— WESTERN MARYLAND RAILWAY

This publication is a circular devoted wholly to an explanation of Deliveries at industries by the Western Maryland Railway or by other railroads at the cities named herein. In many instances industries not accessible to the Western Maryland Railway through its own delivery can be reached by that company for other deliveries under joint through rates published by the Western Maryland Railway.

Note 6.—(Not further used.)

Note 41.—This concern customarily uses private siding serving warehouse owned by the M&P Railroad, East York, Pa., leased by that line to the New York Wire Cloth Co. The only connection with the Maryland and Pennsylvania Railroad on which this firm or industry is located is through a bridge service by the Pennsylvania Railroad. The switching charges are not absorbed and any shipments moving via the Western Maryland Railway unless covered by through rates, will be subject to additional charges as published to and from recognized junction points in connecting lines' tariffs, lawfully on file with the Interstate Commerce Commission or State Commissions, as required by law.
